NEWSLETTER

April 2011

Dear Prayer Warriors,

What a wonderful God we serve! The Kentucky General Assembly has finished its regular session. We have faced multiple spiritual battles at the Capitol, including testifying before a House committee on some pro-life legislation. Some battles were won, others lost, but in all of them, the Lord provided strength and a chance to present what His Word says.

March was a busy time for the family. It seems we were on the road each Sunday to preach or present the work somewhere. The Lord opened doors in Harrodsburg, Cold Spring, Danville, and more. In Carrollton, God blessed with a chance to present the ministry and have a great time of refreshing with Pastor Ison and the people of Open Door Baptist. In addition, it was a special joy to spend three days with Pastor Wilson and the people of Unity Baptist in Flemingsburg when Lee preached each night at their Mission's Conference.

In addition to preaching, there were opportunities to be a witness at various political functions where Lee opened or closed the events in prayer. I Tim. 2:1-2 says we are to pray for those in authority. If we ever needed to pray for our leaders, or for God to send us some good ones, it is now! Our state has elections this November. Kentuckians must be registered by April 18 in order to vote in the primaries! (See our website about some of the candidates for governor.)

Chrissy with Joshua & Hannah.

Thanks to all who keep us in your prayers. There are many spiritual battles to be fought at the Capitol, and prayers are like sending us ammunition for the fight.

Chrissy's birthday is this month, and this ministry could not go on without her. As Prov. 18:22 says, "*Whoso findeth a wife findeth a good thing...*"
A-MEN!

We've also just finished the 2011 session of working with TeenPact - an organization for Christian homeschoolers interested in government. Each year we arrange for legislators to meet with the students and get to teach about America's Christian heritage.

Until Christ returns,

Bro. Lee

Sorry for only black & white this month, but our printer is giving us trouble. Lord willing, we will be able to have it fixed for next month.
