BRO LEE WATTS

December 2011

Dear Prayer Warriors,

Praise the Lord for another wonderful year He has given us! Last month was busy, as opposed to the rest of the year when we just sit around eating bonbons. 😊 God gave us a great meeting in Justiceville, an opportunity to teach at a Christian school, preach in Nicholasville, and the highlight of the month was preaching at a special Veteran's Day service at the Veteran's Center in Wilmore. All this in addition to meeting with our state legislators and ministering to them. An exciting thing going on is the remodeling of the chapel in the Capitol Building. Lord willing, it will be done by the first of the year. Please keep this in your prayers because of opposition.

It was a joy to meet with the church groups who came up to the Capitol for tours last month. I hope everyone had a good time. If your church, school, or family would like a tour of the KY state Capitol, just let me know. There is no charge for the tour, and it is a blessing for this ministry to be able to introduce you to your legislators. They remember each time a Christian group comes to meet with them. It's a great way to have an impact for Christ on our state.

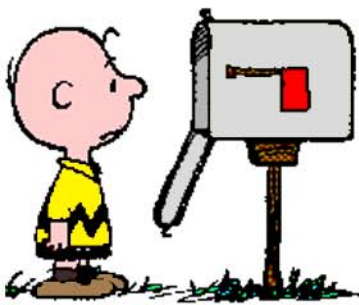

For those of you who support this ministry, we will be sending a giving statement for your tax purposes. All gifts are tax deductible. If you are looking for a few more deductions - we are here for you. 😊 In all seriousness, our deep appreciation to each of you who support us with your prayers and finances. This ministry would not be possible without you.

Merry Christmas

From our family to yours, have a wonderful Christmas and great new year.

Annual mailing list clean-up time

If you would no longer like to receive this newsletter, though I can't imagine why, let us know and we will remove you from the mailing list. You can either e-mail us using the address below, or write to us using the enclosed envelope.

News & what you can do about it

There is a bill in the U.S. Senate (S. 598) called "The Respect for Marriage Act." This deceptively named bill would repeal "The Defense of Marriage Act." This would force states to recognize sodomite marriages from other states. Contact your U.S. Senators to urge them to vote 'NO' on this bill.

Bro. Lee's book, "Weighed in the Balances" about Bible versions is now available on our website. It is great ammunition for Christians, and a wonderful gift for those wondering which Bible version to read.
