

GOD & COUNTRY MINISTRY

BROTHER LEE WATTS

NEWSLETTER

July 2010

Dear Prayer Warriors,

This Independence Day our family was in Morehead, KY to preach a God & Country Day event. That is where elected officials are invited to a special patriotic service. If your church would like to have a God & Country Day, just have the pastor contact me.

During June, the Lord allowed me to visit with several candidates running for office. These meetings were great opportunities to learn about the candidate's relationship to the Lord, their stance on key topics, and to open God's Word to discuss what He says about issues facing us today. Please keep the elections on your prayer list.

Everyone in the family is doing well, if you don't count our dog who is upset that she isn't allowed to vote. Of course if ACORN had its way, the dog's vote would count if she voted for certain people currently in office. *(But that is another story.)* On a serious note, I hope you are registered to vote. Many states require you register 60 days ahead of time, even dogs.

Until Christ returns,

Bro. Lee Watts

Proclaiming Liberty

On the Liberty Bell are these words from Leviticus 25:10 "proclaim liberty throughout all the land unto all the inhabitants thereof..." The Lord recently blessed this ministry with a radio program. Now each week, the liberty Christ paid for is proclaimed over the air waves in parts of KY, MO, IN, and TN. The program, called "Take America Back," emphasizes current events and gives ways you can take action.

It is a mix of news, humor, and inspiration to keep Christians informed and active. You can find air times on our website.

If your church has a radio station, I hope you will prayerfully consider adding this 15-minute program to your broadcast schedule.
