June 2010

Dear Prayer Warriors,

As usual, May was a busy month for the ministry and June is already off to a sprint. The Lord provided a time where approximately 40 pastors visited the Capitol. During their time there, we were able to arrange meetings with some legislators to coordinate pro-life, pro-family, and religious liberty efforts for our state.

On a personal level, everyone in the family is doing well. God has filled our calendar so far this year with places to preach, and we are trusting Him to open doors for the remainder of the year. Thank you to all who keep us in your daily prayers, it is MUCH appreciated!

*Until Christ returns,*

*II Chronicles 7:14*

## CRUSADE THE ARMY OF 7000

Recently, there was a new law proposed in my home state that went against Biblical principles. It, like so many laws nowadays, was to be pushed through very quickly. With a flurry of phone calls to pastors who then informed their congregations, enough pressure was brought to stop this law.

There is not always time to make scores of phone calls and reach everyone to get people informed and active. Therefore, the Lord is leading me to set up a type of minute-man quick reaction force. It is called "The Army of 7,000."

The Bible tells of when Elijah felt alone when fighting the evil that had taken over his country. Remember how the Lord encouraged Elijah in I Kings 19:18 saying, "*I have left me seven thousand in Israel, all the knees which have not bowed unto Baal...*". With this passage in mind, I encourage each of you to join "The Army of 7,000."

Those enlisting are committing to the following duties:

- Signing up for e-mail alerts on items needing urgent action.
- Checking your e-mail for "Army of 7,000" alerts and taking action.

If we can get 7,000 'active duty' Christians in each state to engage their state's government it will help to take America back. The Lord said, '*Occupy until I come.*' An army occupies, and it is time we started taking back some ground in this war.

If you will enlist in the "Army of 7,000" then send a message to the e-mail address listed on the bottom right of this page.
