

GOD & COUNTRY MINISTRY

BROTHER LEE WATTS

NEWSLETTER

June 2011

Dear Prayer Warriors,

The work at the Capitol continues, and we're already making plans for the next legislative session. During the summer, the Capitol is busy with committee meetings and it is a good time to meet with the legislators and build relationships.

PRAISES

The Lord sure is blessing! Chrissy had surgery last month, which went great! In May, God blessed with opportunities to speak at political events, meet with legislators, and preach at churches in Bowling Green, Louisville, Winchester, Somerset, and East Bernstadt. Best of all, while visiting Rep. DeWayne Bunch in the hospital, Lee was able to lead 10 people to the Lord in the ICU waiting room. Rep. Bunch is out of the coma and his condition is improving.

PLANS

We are looking forward to the upcoming God and Country Service with Pastor Kyle Fannin and the good people at Bluegrass Baptist Church in Georgetown. June also is a big campmeeting month, and the family is excited about spending time with God's people at several meetings across the state. Lord willing, we hope to get to visit some of our supporting churches out of state this summer too.

PRAYER REQUESTS

There are some people who don't want us to have a Bible study for the staff of the Capitol, so please put this in your prayers. The Capitol staff need God just as much as the legislators, but the devil is trying to fight us in ministering to them. Another item for prayer is our schedule. The Lord kept us busy during the first part of the year, and we are looking forward to where He will open doors in the last half of 2011. Also, please pray for the Lord to send us a paper folding machine. Personally, I enjoy blisters and papercuts from folding 100's of letters each month, but for some reason the family doesn't seem to enjoy it.

Our deep thanks to each of you who keep us in your prayers. We sure do need it, and your petitions to the Lord are felt and appreciated.

When the founding fathers finished the Constitution, Benjamin Franklin was asked, "What type of government have you given us?" Franklin answered, "A republic... if you can keep it." Each time we don't vote, a part of our Republic is lost. The KY primary elections in May had only 9% of voters participating.

I hope each of you will vote in the general election in November. If you are not registered yet, it is easy to do at your county clerk's office.
