

GOD & COUNTRY MINISTRY

BROTHER LEE WATTS

NEWSLETTER

March 2010

February was busy as God gave opportunity to preach and give the call to activism in a different church each Sunday. Multiple times He used situations to allow for personal soul-winning right there in the state capitol and continues to open doors to meet one-on-one with legislators.

God is blessing in the weekly Legislative Prayer Breakfast. In February, the Lord directed me to lead a devotion on “Be ye strong and of good courage,” encouraging Senators and Representatives in their public stand for Christ. Several said how it encouraged them, and it was evident by their actions in the following days.

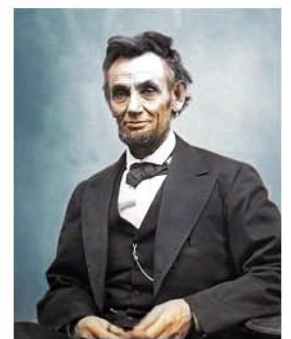

I hope you share in my optimism for America’s future. Several grass-roots movements are gathering momentum. In Kentucky, hundreds of people attended a rally at the capitol to call America back to God. Also, a bill to teach the Bible in public schools passed the state Senate and is now in the House of Representatives. Kentuckians can contact their Representative to ask them to vote for this bill. To learn who your Representatives are visit: www.votesmart.org and simply enter your zip code. (Senate Bill 142 “Biblical Literacy” is the one I’ve mentioned.)

For America to survive she must turn back to the way she was. Lamentations 5:21 says, “Turn thou us unto thee, O LORD, and we shall be turned; renew our days as of old.” This is my daily prayer, and I ask each of you to include it in yours. In March, I hope you commit this verse to memory, asking God to turn America back to Him, and renew our days as of old.

God is hearing, and blessing prayers for this ministry as we wrestle against spiritual wickedness in high places. May the Lord continue to bless you all.

II Chronicles 7:14

“It is the duty of nations as well as of men to own their dependence upon the overruling power of God.”

“It is in the Holy Scriptures and proven by all history: that those nations only are blessed whose God is the Lord.”
