

GOD & COUNTRY MINISTRY

BROTHER LEE WATTS

NEWSLETTER

October 2010

Dear Prayer Warriors,

September was a wonderful month for the ministry! God provided an opportunity to witness and lead a lady to the Lord right there in the Capitol, to meet with several more legislators, and speak with some of Kentucky's gubernatorial candidates.

This past month Chrissy and I celebrated our 11th wedding anniversary, and my 39th birthday. We've been in a small apartment for the past year, but in September the Lord blessed us with a house! Our kids are learning more about prayer because of our new home. Just the other day I told them, "You better pray that comes out of the carpet." 😊

We're looking forward to what God has in store for us in October, as we are holding two God & Country services in addition to other preaching. As always, we are so very thankful for your prayers and financial support.

At the Capitol

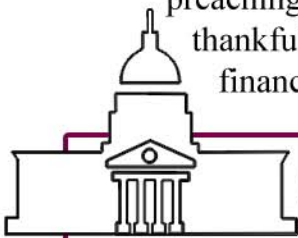

On Sept. 25th was "Candidate Forum." It was an opportunity to meet with some running for office, speak to the crowd about America's Christian heritage, and open the event in prayer.

Until Christ returns,

CAPITOL TOURS

Part of the ministry, is hosting Christians at the State Capitol Building for a tour and to meet with their legislators. If your family, church, Sunday School class or church school would like a tour during the 2011 Legislative Session then use the enclosed "Tour Request Form." The tour schedule is filled on a first-come first-serve basis, and dates fill up quickly. Tours can be any time of the year, but during the regular session is the best opportunity to meet with your legislators.

Be Informed - Be Active

There are so many items needing Christians to take action that it is impossible to list them all in our monthly newsletter, so we hope you will visit our website (listed below).

It is updated weekly with news on moral issues, and more importantly, what you can do about it. Just click on the button that says: "NEWS & What you can do about it."

God & Country Ministry is an entirely faith-supported work. To contribute, please use the below address.
