### **BRO LEE WATTS**

September 2011

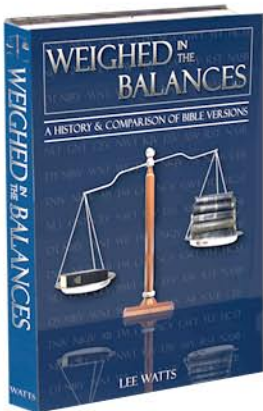

Dear Prayer Warriors,

Well, it's finally here - September, the end of summer, and Bro. Lee's 40th birthday...ugh. Many fine cheeses get better with age, when I told Chrissy she said "some just get stinky." The Lord has richly blessed and protected during the past 40 years; Lord willing, there will be another 40. This month also marks our 12th wedding anniversary. After 12 years of married life I've learned marriage teaches you forbearance, meekness, self-restraint, forgiveness - and other fine qualities you wouldn't have needed if you'd stayed single. 😊 The Lord continues to bless us with a happy, healthy home for which we are so thankful.

In August, the Lord provided opportunities to preach and teach at Campbellsville, Liberty, Cadiz, Frankfort, Elizabethtown, and out of state in LaFayette, TN. With elections coming up, perhaps consider having a "God & Country" day at your church. The ministry at the Capitol continues. Brother Lee has been able to meet with many of our legislators this summer and minister to several of the Captiol staff as well.

This month a meeting is set at the U.N. where it is expected that President Obama will push for Israel to give up some of its land (including at least part, if not all, of Jerusalem.) This may be part of efforts to create a Palestinian State. Whenever the U.S. presses Israel to give up some of the Promised Land something always happens here: earthquakes, tornadoes, hurricanes, etc. For the sake of our country, please contact your senators and representatives in D.C. to have them bring what pressure they can to ensure America stands with Israel.

## ARE ALL BIBLES CREATED EQUAL?

Ever have someone say one version of the Bible is better than another? Have you been told that it doesn't make a difference which Bible you read? Now you can know. Brother Lee's book *Weighed in the Balances: A History and Comparison of Bible Versions* is now available.

This study examines the most popular Bible versions of today and tracks them through the centuries back to their sources. Examine for yourself in a side-by-side, verse-by-verse comparison of the key doctrines between the various versions.

Contact Brother Lee about having him teach this study at your church. The study comes in a series of lessons that can be taught in a single Sunday or over a few days - perfect for the 400th anniversary of the KJV.

Please mail us any order requests. It is best to not mail cash, as it tends to "get lost."
